

**Parent Permission Form Student
Riding/Staying Over With Friend**

Before a student can ride or stay over with a friend, this signed permission form is required. An email giving permission will not be accepted.

The lower part of this permission form must be completed by both the student requesting to ride/stay over with a friend and the friend if both parties are 18 or over, or by the parents if under 18. You can use two different forms, one signed by the student/parent and one by the friend/parent. The signed form(s) must then be provided by mail or email to Mary Hughes **at least 5 days before the time of the ride/stay over.**
